

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

INTRODUCTORY NOTE TO THE ANALYTICAL INDEX

This analytical index is based primarily on the cumulated tables of contents of the original **J.Q.R.** volumes. In the process of arrangement, reference was constantly made to the body of the texts, and we endeavored to clear some of the inconsistencies and oddities that crept into the original tables of contents.

SUBJECT GUIDE

In addition to inclusive subject headings, such as Bible Studies, Biography, History, etc., great care has been taken to analyse the specialized subject matter, and to focus attention on the rich and variegated contents of the **J.Q.R.**, providing reference material on some unusual subjects not widely treated elsewhere.

BOOK REVIEW INDEX

The Critical Notices of the **J.Q.R.** have been cross-referenced by:

- A. Author-Reviewer Index
- B. Reviewer-Author Index

I wish to express my thanks to Mrs. Gertrude Paschin as well as other members of the Ktav editorial staff for invaluable assistance in the preparation of this Index.
